ABOUT THE COMPANY

Słodkie Upominki, the 'Sweet Gifts' company, is one of the European leaders in the production of confectionery advertising. We take advantage of the latest technologies to design and manufacture sweets from scratch. The sweets we produce are an element in promotional campaigns from companies around the world. We use the highest production standards and integrated quality control systems to supply high quality products to the market.

In our desire to confirm the credibility of our quality assurance activities we have implemented the BRC - Global Standard for Food Safety. Our BRC accreditation guarantees the highest levels of safety and quality stability of our products.

MINT & MORE

This is a big portion of fresh mint hidden under a crunchy brittle shell. These highly refreshing mint pastilles are on offer in products such as Mint Pack or 2-Pack. "Mint & More" ideally fulfils the role of a small sweet advertising gadget for conferences, trade shows, and seminars.

MINIS

These come in variety of rich colours and flavours. Crisp mint or fruit flavour is hidden in the tiny (0.5 g) crunchy shells. "Minis" pastilles are available in products such as blister packs or cans. "Minis" pastilles perfectly fulfil the role of an independent sweet advertising gadget or also as a gadget to supplement a large promotional action.

JELLY & JELLY

This is refreshing fruity flavour locked in a delicate sugar shell. A mix of colours and flavours in the characteristic bean shape is available in products such as Qubotto or Fresh Box. "Jelly & Jelly" is a sweet fruity advertising gadget for use in any promotion or event.

BARRY CALLEBAUT

Barry Callebaut is a global leader in the production of high-quality cocoa and chocolate products. The company was founded in 1996 by the merger of two companies each with over one hundred and fifty year traditions: the French company Cacao Barry and the Belgian company Callebaut. Currently, Barry Callebaut supplies its products both in cocoa beans as well as finished chocolate products throughout the entire food industry; from global corporations, to confectioners and bakers, and to distributors. Barry Callebaut is present in 25 countries, has 40 production units, and employs nearly 8,000 employees. Barry Callebaut has been, since 2007, a business partner of Słodkie Upominki for the supply of ingredients for the production of chocolate.

NOBLE CHOCOLATES

Internationally Belgian chocolate is considered the best in the world which is probably the result of their long tradition and passion for its production. Noble Chocolates is an excellent confirmation of this thesis. These Belgian pralines in their original shape, a chocolate cup, are filled with extremely delicate and sophisticated flavours. Anyone who tastes these delicious pralines is transported to a world full of magic. Nougat, caramel, coffee, almonds, and champagne are the sophisticated flavours you'll find when you taste Noble Chocolates.

CHOCO4MAT

Choco4Mat is a line of chocolate products made by the unique and innovative technology of manufacturing modular molds for chocolate. Each of the available Choco4Mat products on offer has a removable portion of the mold in which can be placed a company logo or other any content. This technology allows you to personalise the chocolate in a very short time and without having to incur the high costs associated with the design of an individual traditional mold. Choco4Mat also guarantees taste by using the highest quality chocolate produced by Barry Callabaut.

"Select an available Choco4Mat shape. Send us your logo to make your own chocolate Choco4mat! There is nothing like sharing it with your clients or contractors ... Give your communications a chocolate form! "
